Oppose - S. B. 16

Dear Judiciary Committee,

I Oppose S. B. 16 Am Act Addressing Gun Violence and Juvenile Crime. this Act will do nothing to prevent Criminals from committing illegal acts with firearms. Most Criminal Gun Crimes in this State are not punished to the full extent of the Law, in fact, more than 70 percent of Criminal Gun Crimes are plea bargained to a lesser charge and/or 'nolled' by the Criminal Justice System. This Act attacks the Second Amendment Right of the Law Abiding Citizens to own commonly owned firearms, like AR style rifles, that are rarely used in the commission of a Crime. The FBI data indicates that 100 percent more individuals are killed with hands, feet and clubs than with long Guns, rifles of any kind. A ban on AR style rifles including the sale of these rifles is an unLawful taking of Private Property that does not, has not and will not reduced Gun Crime in CT.

Respectfully, George R. Curry, Oakville, CT.
